DISCLAIMER NOTICE

SA Business Planning (PTY) Ltd, trading as SA PLAN, provides advisory services to our clients. While we strive to provide accurate information and advice, we cannot be held responsible for any acts, omissions, or mistakes in any information provided, whether in writing or verbally, to our clients or their representatives at any stage of contact. This includes any personal injury, property damage, or any type of loss, accident, delay, inconvenience, irregularity, or legal dispute which may be caused by any party of the service rendered by SA Business Planning.

By accepting this Long-Term Maintenance Plan (LTMP), you hereby agree to release SA Business Planning from all claims arising out of any problem covered in this paragraph, as well as any other claims arising from this document, website, or any related SA Business Planning material.

Please note that the LTMP is provided solely for informational purposes, and it is not intended to be a comprehensive or definitive guide to maintenance planning or reserve fund calculations. Moreover, the LTMP may be subject to various assumptions and uncertainties, and SA Business Planning makes no representations or warranties as to the accuracy, completeness, or reliability of the LTMP.

Accordingly, SA Business Planning disclaims all liability for any damages or losses arising from your reliance on the LTMP, including any errors or omissions in the LTMP or any action taken or not taken based on the LTMP. You are solely responsible for your use of the LTMP and any actions you take based on it.

If you have any questions or concerns about this disclaimer notice or the LTMP, please do not hesitate to contact us.

Long Term Maintenance Plan Pack: Sample

(10-YEAR MAINTENANCE PLAN, CASH FLOW AND RESERVE FUND CALCULATIONS)

Index:

Page no:

- | | |
|----|---|
| 4 | FINANCIAL PRINCIPLES, ASSUMPTIONS & RECOMMENDATIONS:
(Summary of the principles applied in this plan) |
| 5 | CORE INFORMATION PAGE:
(Basic information captured from the pre-assessment that was used as part of the plan) |
| 6 | ITEM REGISTER:
(Register of capital items recorded during the physical assessment of the complex) |
| 8 | MAINTENANCE PLAN SUMMARY
(Maintenance Plan summarised for the 10 year period in view) |
| 9 | MAINTENANCE PLAN:
(Schedule of maintenance activities and provisioning for the specified 10 year period.) |
| 19 | BUDGET ROLLUP DATA
(Schedule of Maintenance Plan expenses & Provisioning per Financial Year in hi-level categories) |
| 20 | DASHBOARD (a Single page view of the current projected scenario. This includes the high-level cash flow of the 10-year plan and Reserve Fund, impact on levy escalations, projected relationship between Admin levy contribution and Reserve Fund contribution as well as other financial trends throughout the 10-year period.) |
| 21 | RESERVE FUND COMPLIANCE CHECK
(Calculations used to ensure compliance of the current or projected scenario) |
| 22 | LEVY PREDICTIONS
The current Participating Quota schedule indicating levy changes per individual unit or section |
| 25 | MAINTENANCE BUDGET SPLIT SUGGESTION:
(a schedule that suggest what portion should be reduced from the existing maintenance budget to avoid duplication of maintenance expenses already covered by the new Reserve fund budget) |

Assessment information:

- Measurements indicated in the LTMP pack might in some cases be estimates based on recalculation of the building/s footprint, information sourced from available building plans or any other statistics gathered through 3rd parties.
- Where quantities are indicated, it might not always be based on a physical count of the item, but calculated through a process of multiplication of a base quantity.
- Due to the nature of the industry and associated variables, no guarantee can be given in terms of measurements, quantities, product/item description or any of the information provided in the field assessment category.
- In some events, similar category capital items are combined in a single item line and provision adjusted accordingly.
- Where "Total size m²" is indicated, this might not always correspond with the total m²-PQ of the scheme, as common area or maintenance surfaces additional to the registered m² was included in the maintenance planning.
- Where the condition of a specified capital item is unknown, the description will default to "Good".
- If no "date of installation" of a capital item is known, the date will default to the date of registration of the scheme.
- If no confirmation was received in the completed pre-assessment form in regards to when the complex was built, the date of Sectional Title Registration will be used. (SS number)
- Where the original construction of the building or complex was phased, the 1st phase completion date will be used.
- In cases where an "i" or "Inspection" indicator is used in the maintenance plan scheduler, it represents a recommendation to have the item/s inspected by owners or a general worker or contracted out to a third party if necessary.
- a "P" or "Provision" indicator in the maintenance scheduled, represents a long term provision that is raised in line with the requirements of the STSM Act. These provisions should accumulate within the particular 'pocket' of the 10-year plan for future replacement of items within this category.
- Where a 'shortfall' in the Reserve Fund is predicted *(see previous page), this might not necessarily translate to an actual cash flow shortfall, as this calculation takes long term provision, provision for annual repairs as well as scheduled maintenance expenses into consideration.

Plan ver: 1.1

View: A

Thank you for choosing SA Plan as your consulting partner for Long-Term Maintenance Planning and Reserve Fund calculations. Our product is tailored for HOAs, Sectional Title Scheme co-owners, Body Corporates, and Trustees to navigate the 2016 changes in the Community Schemes Ombud Service Act (CSOSA) and the Sectional Titles Schemes Management Act (STSMA).

Our process offers a cost-effective, precise 'ten-year maintenance prediction plan,' encompassing expected costs. This comprehensive plan covers maintenance, repair, and replacement of "major capital items" and provides future expense projections. It also suggests action dates to ensure timely execution and offers financial calculations for monthly recoverable reserve fund contributions per unit over the next decade.

While we employ advanced technology, the accuracy relies on data from the pre-assessment form. External factors may influence results. If you encounter any pre-assessment form challenges, please don't hesitate to contact us.

We appreciate your business and look forward to collaborating with you to ensure your long-term maintenance plan remains accurate, efficient, and compliant with regulatory changes.

Information from the pre-assessment form is as follows:

Assessment information was provided by the following Complex representative:

Dawie Pretorius

REF	Category	Item Description	Unit of measure	Condition	Quantity	Last replacement, maintenance or repair date?	Comment
1	ROOF	Roofing/ Tiles/ Marley	m2	Good to Fair	7150	Unknown	A general provision is established and accumulated for future repair work on the tiled roof areas. It is recommended to conduct a visual inspection of all the roofs at least once every 12 months or after any major storm. Any damaged or shifted tiles should be replaced or repositioned as soon as possible.
2	ROOF	Roof maintenance/ Ridge Caps, Rake verge & Gulley/ tiles	meter	Good to Fair	1200	Unknown	It is recommended to seal all roof ridge tiles every 36-48 months. Repair cracked or missing ridge tiles and verge tiles, replace loose or missing ridge concrete, and seal with bonding liquid and roof paint. Additionally, it's important to repair or seal poor flashing against walls to reduce the risk of roof leaks. (Phased to do +/- 33% of the roofs every year)
3	ROOF	Roof maintenance/ Treatment or painting of exposed rafters/ standard	meter	Fair	1160	Unknown	A provision is established, and maintenance is scheduled for the treatment of all exposed roof rafters once every 4-5 years. This preventive measure should help prevent fungal growth, termite infestations, and damage from wood-boring insects.
4	ROOF	Roofing/ Fascia/ 225mm	meter	Good to Fair	1900	2018	Long-term provision is established once a year in December and should accumulate for any future repair work or replacement of parts of the fascia board when needed.
5	ROOF	Roofing/ Gutter/ Chromadek seamless	meter	Good to Fair	1900	2018	It is recommended to inspect and clean all gutters and downpipes at least once every 12 months before the start of the rainy season and again after each major storm. An annual long-term provision is established and should accumulate for future repair work or replacement of gutters.
6	ROOF	Roofing/ Gutter downpipe/ Chromadek	meter	Good to Fair	780	2018	It is recommended to inspect and clean all gutters and downpipes at least once every 12 months before the start of the rainy season and again after each major storm. An annual long-term provision is established and should accumulate for future repair work or replacement of gutters.
7	BUILDINGS	Windows/ Steel/ Medium	each	Fair	711	2018	Window frames are currently in a Fair condition and provision is raised to repair and re-paint all the window frames at least once every 5-6 years. Damaged window putty to be replaced in-between paint projects when needed.
8	BUILDINGS	Paint/ Plastered surfaces/ exterior	m2	Fair to Poor	14000	Unknown	It is recommended to re-paint all exterior plastered wall surfaces in the complex once every 6-7 years. Minor water damp correction can be done as part of the paint project.
9	BUILDINGS	Paint/ metal components/ standard	Unit	Fair	128	Unknown	Provision is raised for the painting of the fascias, railings, balustrades, security doors, and other metal components in the shared areas of the complex.
10	BUILDINGS	Door/ Wood/ Standard	each	Good to Fair	133	Unknown	Treating timber access doors every 18-24 months, considering sun and elements exposure, guides provision allocation. Additionally, provisions are made for long-term door replacement (50% BC).
11	BUILDINGS	Floor covering/ Tiling/ standard	m2	Fair	1665	Unknown	A General Provision is raised annually to accumulate funds for future repairs or complete replacement of the tiled floor areas in the complex.
12	BUILDINGS	Building/ Structural/ Minor repairs	m2	N/a	1950	Unknown	We annually allocate a general provision to accumulate funds for potential minor structural repairs to units or walls not covered by insurance.
13	PLUMBING	storm water/ Grid & Pit/ Steel	Each	N/a	4	Unknown	It is recommended to visually inspection and clean all the storm water systems and flow channels at least once a year and especially before the start of the rainy season. Long term provision raised in December each year to accumulated funds for future repair work.
14	PLUMBING	Plumbing/ Ongoing R & M/ standard	each	Not known	128	Unknown	Provision for day-to-day plumbing maintenance and repair work is budgeted at the start of each financial year. Additionally, a long-term provision is set up annually in December to accumulate funds for major plumbing projects or future repair work.
15	ELECTRICAL	Electrical/ Ongoing R & M/ standard	each	Not known	128	Unknown	We allocate a provision for day-to-day electrical maintenance and repair work at the start of the financial year. Additionally, an annual December Long Term provision accumulates funds for major future electrical projects.
16	ELECTRICAL	Electrical/ Lighting/ bulkhead & other	each	N/a	128	Unknown	The annual provision allocated for this item covers the procurement and stocking of replacement globes required throughout the year to maintain the lighting in shared areas of the complex.
17	FIRE	Fire / Hydrant/ standard 80mm	each	Good	2	2023	The Fire Hydrant/s in the complex are serviced annually in [August]. Provision is allocated for this yearly service. Additionally, an annual December Long Term provision is raised to accumulate funds for future hydrant repair work.

REF	Category	Item Description	Unit of measure	Condition	Quantity	Last replacement, maintenance or repair date?	Comment
18	FIRE	Fire/ Hose reel/ 30 meter	each	Good	33	2023	The Fire Hoses in the complex are serviced annually in [August]. We allocate provision for the annual service fee. Additionally, a yearly Long Term provision is raised and accumulated for future replacement of hoses, reels, parts, cabinets, covers, etc.
19	FIRE	Fire / Extinguisher/ 9Kg	each	Good	1	2023	The Fire Extinguishers in the complex undergo annual servicing in [August]. We allocate provision for the annual service fee. Additionally, a yearly Long Term provision is raised and accumulated for the future replacement of fittings, gauges, cabinets, covers, etc.
20	OTHER	Signage/ signboards/ standard H&S	each	N/a	128	Unknown	Provision is raised once a year and any unused funds in this category accumulated for the replacement or upgrade of any of the existing signage or installation of additional signage in and around the complex. (Health & Safety or any other signage).
21	OTHER	Carports/ Steel Frame/ IBR	each	Fair	128	Unknown	We ensure carport steel frames receive rust treatment and repainting every 4-5 years, with provisions set accordingly. Furthermore, an annual December Long Term provision accumulates funds for future repair or replacement of the IBR roof plates.
22	DRIVEWAY	Driveway/ Paving/ Bevel	m2	Good to Fair	7200	Unknown	We raise a yearly December General Provision, calculated according to the total paved area coverage, to accumulate funds for potential future repairs in shared road and parking areas.
23	SECURITY	Security/ Main Gate/ Steel 6meter	each	Good	1	Unknown	Provision is made at the beginning of the financial year for ongoing repair work to the main gate, guide rollers, rail and steel rollers. A long term provision is also raised once a year and should accumulate for the future replacement of the gate when it becomes necessary.
24	SECURITY	Security/ Sliding Gate Motor/ Centurion D10 or similar	each	Fair	1	Unknown	Provision is made at the beginning of the financial year for ongoing maintenance and repair work on the gate motor and battery backup. Long term provision is also raised once a year and should accumulate for the future replacement of the motor or battery backup.
25	SECURITY	Security/ Boomed gate/ Manual	each	Fair	1	Unknown	General provisioning for any future repair work and replacement of the manual boom gate at the entrance.
26	SECURITY	Perimeter fence/ Precast wall/ Concrete 6ft	m	Fair	816	Unknown	An annual general provision, calculated based on the length of the boundary walls, is established to accumulate funds for any future repair work or replacement of the precast boundary walls.
27	SECURITY	Security/ Intercom/ Standard GSM	each	Fair	1	Unknown	A general provision is raised at the beginning of the financial year for all ongoing repair work to the intercom and backup system. A long term provision is also raised and should accumulate for the future replacement or upgrade of the intercom and battery backup.
28	SECURITY	Security/ Electric fence/ Energizer 6-9 Joule	each	Fair	1	Unknown	Provision is made at the beginning of the financial year, for ongoing repair work on the electric fence energizer. Long term provision is also made once a year and should accumulate for the replacement or upgrade of the energizer when it becomes necessary.
29	SECURITY	Security/ Electric fence/ Up to 6 strands	meter	Fair	820	Unknown	Provision based on the type and length of the fence, is raised biannually for ongoing repair work to the fence. Accumulation of unused funds in this category should be set aside for the future upgrade or replacement of the fence when necessary.
30	RECREATIONAL	Swimming pool/ Concrete/ Large	Each	Good to Fair	1	2022	Provision is raised at the beginning of the financial year for all day-to-day repair work to the pool, pump and pool collar. Long Term Provision is also raised in December each year to accumulate funds for the re-lining / re-marbelite of the pool if this becomes necessary.
31	RECREATIONAL	Equipment/ Garden/ Lawnmowers & other	each	N/a	2	Unknown	A General Provision is established for the services and repairs of garden machinery and equipment. Additionally, a Long Term Provision is raised to accumulate funds for the replacement of this equipment when it becomes necessary.
32	RECREATIONAL	Garden/ Tree/ Tree felling	each	N/a	4	Unknown	A General Provision is raised and accumulated for potential future tree removal or tree root removal in the complex and shared areas.
33	RECREATIONAL	Recreational facilities / Jungle Gym/ timber	each	To be install	1	2024	Provision is allocated for installing Jungle Gym play equipment, with an annual long-term provision set up to accumulate funds for its future replacement if necessary. Additionally, provision is made for the painting/treatment of the Gym every 2-3 years.
34	ELECTRICAL	Electrical/ Luxpower Inverter system/ 5kWh battery	each	Good	1	2023	Provision is allocated annually to accumulate funds for repair work and for potential future upgrades or replacements of the system.
35	BUILDINGS	General/ Building/ various	each	N/a	128	Unknown	The provision allocated in this category is intended for any maintenance, repair, or replacement expenses not covered by the items listed in the register above. This may include repairs to window sills, replacement of postboxes, painting of parking lanes, maintenance on antennas, and other miscellaneous expenses.
36	OTHER	Risk assessment/ Physical/ Walkthrough	each	Click Here to Request a Quote			This is a recommendation for the Trustees to conduct a general walkthrough of the complex to assess and identify potential risks and necessary preventive actions. They should look for signs of tree roots causing damage to walls or paving, leaning trees or branches, failing support walls, stormwater overload, etc. It's essential to keep records of these inspections for insurance purposes.

SCHEDULED MAINTENANCE, REPAIR & REPLACEMENT ACTIVITIES

Description key:

Repair = Indication of unscheduled repair work throughout the year. **Maintenance** = Planned preventative maintenance work. **Replace** = Actual scheduled replacement of item / part of item.

Inspection = Suggested physical inspection and testing by the general worker. **Provision** = Provision for long term replacement / Repair.

Description key:

This years' levy contributions - (2023/2024)					
Admin Fund		Reserve Fund		Total Levy	
Admin Fund per annum (This year) (A)	R 1 723 660	Reserve Fund per annum (This year)	R 411 015	Total annual levy	R 2 134 675
Average monthly levy- Admin Fund - per unit	R 1 149	Average monthly Reserve Fund per unit	R 274	Total average monthly levy p/unit	R 1 423,12
Total monthly Admin Fund levy	R 143 638	Total monthly Reserve Fund portion	R 34 251	Total monthly levy	R 177 890
		Starting balance in the Reserve Fund for this new year (E)		R 2 112 900	

Suggested levy contributions for the following financial year - (2024/2025)					
Admin Fund		Reserve Fund		New Total Levy	
Admin Fund levy (before split)	R 1 827 080	Reserve Fund contribution (standard) (C)	R 435 676	New suggested Administrative Levy	R 1 673 080
Reduce this amount from the existing maintenance budget and allocated as part of the Reserve Fund levy. (See schedule 8 for detail at the last page) (D)	R 154 000	Additional Reserve Fund contribution	R 85 392	New suggested Reserve Fund Levy	R 675 068
Admin Fund levy (after implementation of split)	R 1 673 080	Allocated from Admin Fund maintenance portion. (D)	R 154 000		
		Total Reserve Fund contribution per annum (E)	R 675 068	New suggested total annual levy	R 2 348 147

Reserve Fund compliance check - Ref Sec 2(8) of the Act

Is the Balance in the Reserve Fund (B) less than 25% of total contributions of the current years' Administrative Fund (A)?	NO	If "Yes" - Min new contribution to be at least - 15% of new Admin levy	R 250 962	25% of Administrative Fund contributions for previous year.	R 430 915
Is the balance in the Reserve Fund (A or B) more than 100% of total contributions of the Administrative Fund?	YES	If "Yes" - No minimum contribution is prescribed	R -	Total contributions to the Administrative Fund for previous year.	R 1 673 459
Is the Balance in the Reserve Fund (A or B) more than 25% but less than 100% of the Administrative Fund?	NO	If "Yes" - contributions to be at least the amount budgeted for Repairs, Maintenance and Replacements for the new financial year.	R 1 966 360	Expenses budgeted for Maintenance, Repairs & Replacements according to the LTMP for the new year.	R 1 966 360

Administrative fund

The Administrative Fund referred to in section 3(1)(a) of the STSM Act must be used to fund the operating expenses of the body corporate for a particular financial year.

any other amounts determined by the body corporate, and all other body corporate income must be paid into the Administrative Fund.

Reserve Fund

The Reserve Fund maintained in terms of section 3(1)(b) of the STSM Act must be used for the implementation of the maintenance, repair and replacement plan of the body corporate referred to in rule 22. This includes:

any part of the annual levies designated as being for the purpose of reserves or the maintenance, repair and replacement plan

any amounts received under an insurance policy in respect of damage or destruction of property for which the body corporate is responsible

any interest earned on the investment of the money in the reserve fund
